PROJECTS

VACATION CABIN | CLASS-MADE PROJECT IN AUTODESK REVIT

Jun 2015 – Jul 2015 | Walnut, CA

- Used a given template for the basic structure of the cabin
- Created my own interior floor plan, unique furniture, and site plan

WEDDING MANSION | SELF-MADE DESIGN IN MINECRAFT

CREATIVE MODE

Mar 2018 – Mar 2018 | Chino, CA

- A design inspired by the idea of a wedding held inside a luxurious building instead of a church
- Used polygons, a symmetrical design, and blue-paned glass held up by quartz blocks to give the exterior a modern look
- Used stone slabs, cobblestone, and quartz for the texture and design of the curving front stairs and courtyard
- The wedding hall itself is dominated by a vibrant red carpet at the bottom of two mirrored double-quarter turn quartz staircases.

TINY HOME | SELF-MADE DESIGN CREATED IN HOMEBYME.COM

Aug 2018 – Aug 2018 | La Jolla, CA

- Decided to scale down my usually big designs, made it simple but still functional
- Two-story, 316 sq. ft., 6 defined rooms, and a side yard
- Light blue and white theme, complimented with pale yellow walls
- Focused on interior design

COMMUNITY SERVICE | LEADERSHIP

POMONA VALLEY HABITAT FOR HUMANITY | PRESIDENT,

SENIOR YEAR IN HIGH SCHOOL

Aug 2016 – May 2017 | Walnut, CA

- This organization is a non-profit which helps low-income families renovate or build their homes
- Organized events such as ABWK - A Brush with Kindness builds
- Became a leader motivator for club members during general meetings and events

WORK EXPERIENCE

UCSD MAIL SERVICES | MAIL CARRIER/PARCEL CENTER

EMPLOYEE

Apr 2018 – Present | La Jolla, CA

- Sorts, scans, and labels incoming packages for students
- Loads packages on Mail Services golf carts and drive them to the various parcel centers on campus
- Works in a few parcel centers on campus organizing packages, receiving packages directly from carriers, and distributing packages to students on campus
- Utilizes basic customer services skills to communicate with students and outside carriers
